

Coach Smedley's **RULES** FOR SUCCESS

RULE

1

Be On Time

You may not have control of your cell door, but you **CAN** be dressed and prepared to come to class.

RULE

2

Come Prepared

Be prepared to learn. Complete what is asked of you. This includes assignments, forms, or reading. You feel more confident when you are prepared.

RULE

3

Be Ready to Change

Old thinking leads to the same results. Learning exposes you to new ideas, methods, and ways of thinking. Be growth-minded.

RULE

4

Be Willing to Try

Do not be afraid to fail. Failure is found inside all learning. You only truly fail when you do not attempt a challenge.
